

Would You Like to Buy The Worldwide MNO Directory at a Special Price?

Deveo's Directory contains all Mobile Network Operators Worldwide and includes more than 2,500 named executives.

For each profile the following information is provided:

- Company name
- Corporate URL
- Parent company name
- Headquarter postal address
- Headquarter telephone number
- Name of CEO, CTO, CIO, CMO (for most operators)

The data has been researched and verified thoroughly in May & June 2010 to provide you with the most accurate contact information.
